

# VIA CONNECT PRO

## WIRELESS PRESENTATION & COLLABORATION FOR HUDDLE SPACES

Introducing a very user-friendly solution for installing wireless presentation and collaboration in multiple meeting rooms and huddle spaces. VIA Connect PRO let's meeting participants wirelessly present with any laptop or mobile device, share any size file, stream full uninterrupted HD video (up to 1080p60), and edit shared documents on the main display. Users can present up to four screens simultaneously. VIA Connect PRO's whiteboard feature lets participants annotate and sketch out ideas on the main display from their device.

VIA Connect PRO includes mirroring for iOS (MacBook, iPad and iPhone), Android (Lollipop OS 5.0 or newer), and Chromebook (2017).
